Call for Interest in the European Fusion Diversity Network

Equality and diversity, including but not limited to gender, race, nationality or ethnic origin, religion, physical ability, age, sexual orientation and identity, are a top priority for the European Commission and the EUROfusion Consortium as enshrined into the EUROfusion values, policies and processes.

To support the local teams, EUROfusion is setting up a community of practice on Equality, Diversity and Inclusion inviting colleagues to join whose roles include diversity, organize initiatives and activities on the topic or are interested to foster diversity in their local institute and projects. The community will have an email distribution list, SharePoint site and Teams channel to share best practices, lessons learned and activities across Europe. The community is expected to meet 2-4 times a year online.

We invite you to nominate colleagues through the Indico form at <https://indico.euro-fusion.org/e/EuropeanFusionDiversityNetwork> by **30 September 2024**. Participation in the community of practice is on a voluntary basis.

Should you have any questions, please contact diversity@euro-fusion.org or join the Training and Education Information Session held on **26 September 2024 at 14 CEST** on Teams (Meeting ID: 376 586 979 647, Passcode: JXMut3).
